About the Challenge

Introduction

This challenge by Monsha'at aims to enhance the customer experience in the real estate sector by identifying the challenges customers face when searching for residential units to purchase or rent. It is the first of several challenges that the Real Estate Innovation Program seeks to address, as it explores the many possibilities in this vital sector. This report presents an overview of the challenge, its stages, and the results achieved.

Aims & Goals of the Challenge

1. To search for innovative solutions to enhance customers' experience throughout their journey of purchasing/renting a residential unit during the three following stages: research, evaluation, and furnishing.
2. To raise awareness of the challenges in the real estate sector and the importance of seeking innovative solutions that contribute to improving the experience of workers and beneficiaries in this sector.
3. To contribute to achieving the Kingdom's vision of improving the quality of life of its citizens by facilitating the process of choosing a home, one of the most important life decisions.

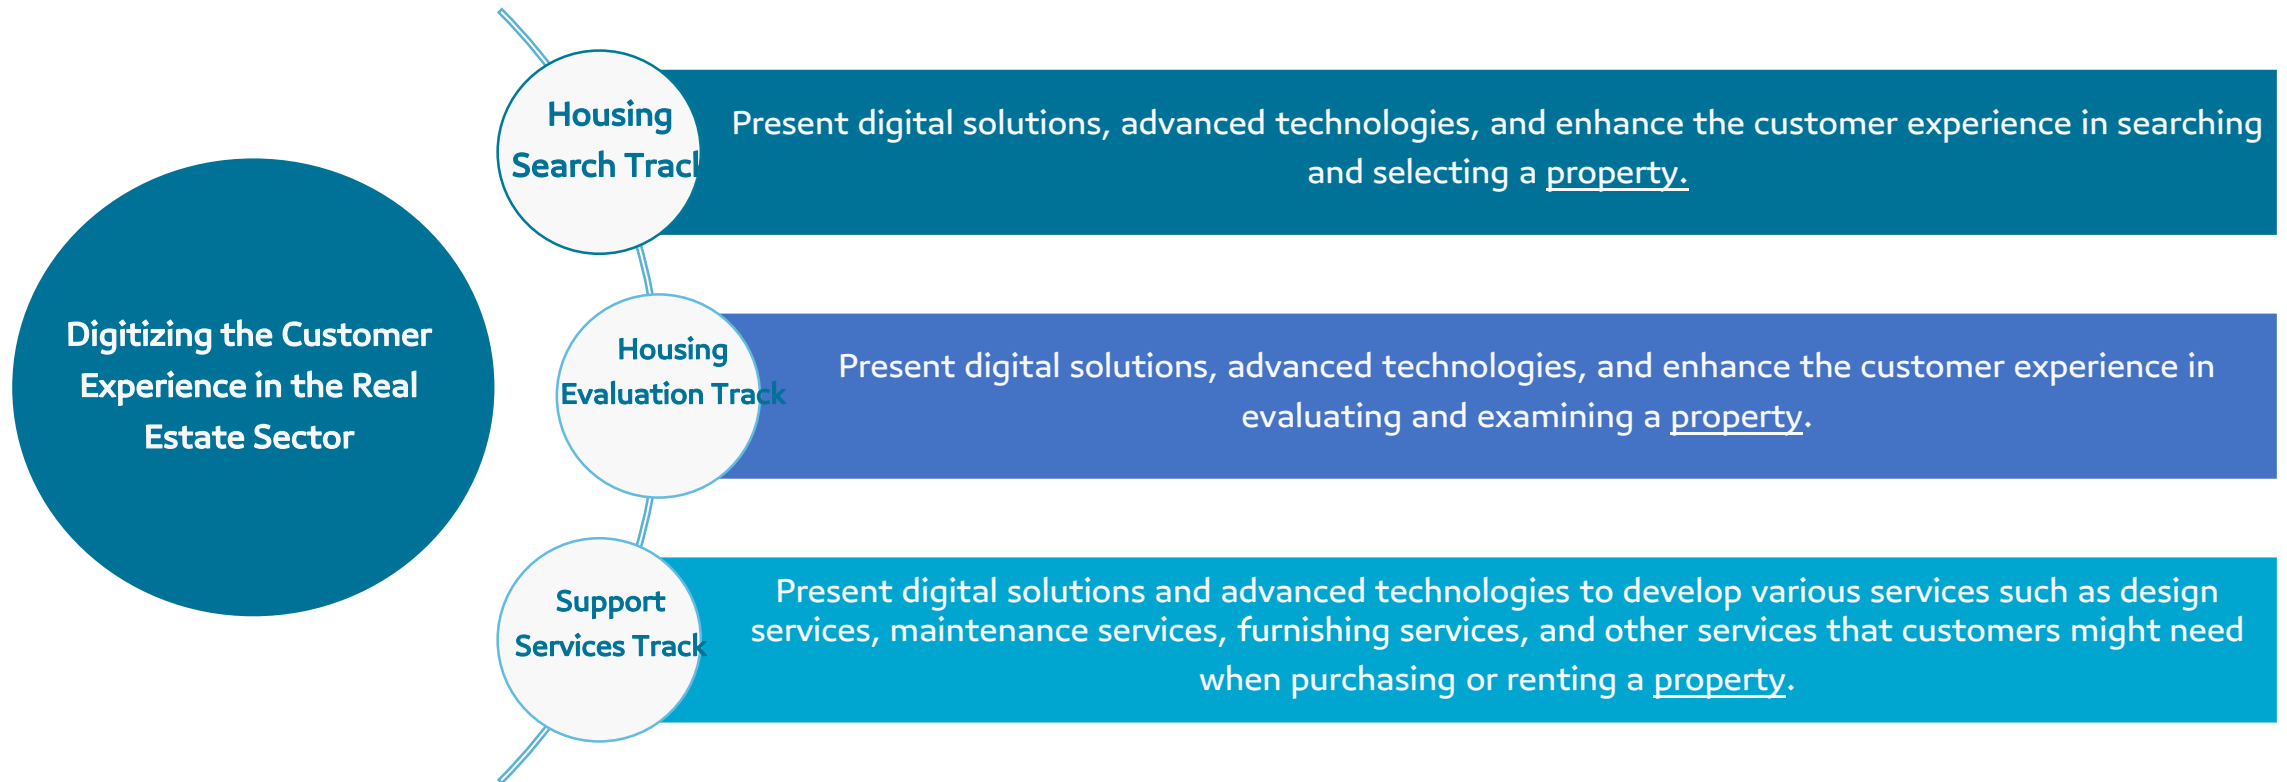

The Stages and the Timeline of the Challenge

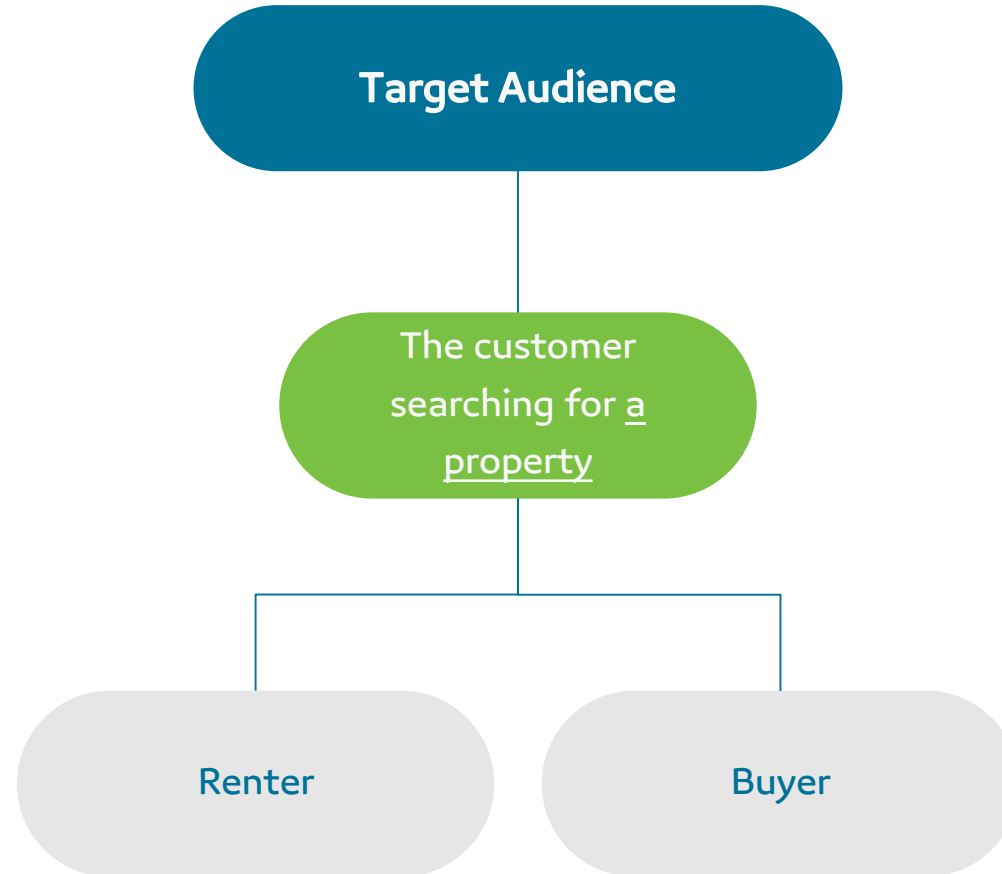

The Challenge Tracks

Based on a thorough study of the challenges facing buyers and renters in their real estate journey, three sub-tracks have been identified for the “Digitizing the Customer Experience in the Real Estate Sector” challenge. This challenge aims to find solutions to the possible challenges buyers and renters face. The three sub-tracks are:

Target Audience

Target Audience – Proposal for the Challenge

Target Audience for Participation

Firms' Owners and Traditional Real Estate Offices' Owners

Entrepreneurs in both the real estate sector and other sectors who are interested in exploring the industry at all the following stages:

1. Commencement stage (building the idea, the team, and the business model)
2. Launch stage (developing the initial product, testing its market, and beginning to generate revenue)
3. Growth stage (expanding the user base and revenue growth)

The Challenge's Impact in Numbers

Received 165 creative solutions during the registration stage

Enhanced 40 creative solutions during the training camp stage

Three projects won the challenge and qualified for the Real Estate Innovation Accelerator

Training Camp

General Brief About the Training Camp

The Training Camp Objectives

The training camp aims to enhance the quality of the projects in the "Challenge to Digitize the Customer Experience in the Real Estate Sector" through a series of workshops. These workshops cover a range of topics, including creative thinking tools, types of innovations, financial liquidity and operations, and presentation skills. Participants receive proper training from experts and qualified individuals, allowing them to improve and develop their projects. The projects are then evaluated after refinement and presented to the judging panel for selection of the winners.

Number of Participants

40 teams

One representative from each team is required to attend

Training Material

4 days of training

The training covers building a work plan, financial planning, design, presentation skills, and other relevant topics.

Time

February 26th - March 2nd

4 days of training + 1 demo day
4 hours daily, total 20 hours of training

اقتصادي / منشآت تعلن أسماء الفائزين في "تحدي رقمنة تجربة العميل"

الالتين 1444/9/5 هـ الموافق 2023/03/27 م واس

الرياض 05 رمضان 1444 هـ الموافق 27 مارس 2023 م واس

كشفت الهيئة العامة للمنشآت الصغيرة والمتوسطة "منشآت"، عن أسماء الشركات الناشئة الفائزة بمنافسة "تحدي رقمنة تجربة العميل في القطاع العقاري"، وذلك بالتعاون مع الهيئة العامة للعقار، بهدف إيجاد حلول من خلال مجموعة من المنتجات والخدمات الابتكارية والتقنية التي تسهم في حل التحديات التي تواجه المشتري والمستأجر في المملكة خلال عملية البحث عن مسكن، إذ يعد هذا التحدي الأول ضمن سلسلة من التحديات التي تسعى للبحث عن حلول في برنامج الابتكار العقاري، والمخصص لاستكشاف الإمكانيات اللاحقة في هذا القطاع الحيوي.

وجاء اختيار المتأهلين للتصفيات النهائية في تحدي "رقمنة تجربة العميل في القطاع العقاري" بعد نجاحهم في عدد من التصفيات، وخوضهم معسكراً تدريجياً مكثفاً؛ للاستعداد لمرحلة التصفيات النهائية، وقامت لجنة التحكيم النهائية بتقييم 27 مشروعاً من بين 165 لاختيار الفائزين بالمراكز الثلاثة الأولى، إذ حقق "إيجاري" المركز الأول بجائزة مقدارها 50 ألف، وحظي مشروع "عقد إيجار" بالمركز الثاني بجائزة قدرها 30 ألف، فيما حصل "عقار بوت" على جائزة المركز الثالث بجائزة بلغت 20 ألف.

ونجح المتأهلون في المنافسة على 3 مسارات تبدأ من البحث عن مسكن، والثاني فحصه والتأكد منه، والمسار الأخير مهتم بالخدمات المساندة، والمختص بتقديم كافة الخدمات المتعلقة بالوحدات السكنية من تصميم وصيانة وتأثيث وغيرها عند الشراء أو الاستئجار.

وسيقدم التحدي للفائزين فرصة العمل مع أبرز المدربين والمرشدين المختصين بالقطاع العقاري، والمشاركة في عرض مشاريعهم على المستثمرين؛ لتسهيل مشاركتهم في مسرعة الابتكار العقاري، وستكون ضمن حزمة من البرامج التي تقدمها منشآت للمبتكرين والرواد لتطوير القطاع ولتحقيق مستهدفات رؤية السعودية 2030.
